3 ft. Pre-lit Porch Tree (set of 2)
Item #389469

A. Tree  Qty: 2

B. Replacement Bulbs  Qty: 4

Note:
1) Wait to dispose of the packing material until assembly is complete.
2) 10volts, 60Hz - safe for indoor or outdoor use.
3) Do not illuminate until the tree is fully assembled.
4) This tree is provided with UL listed decorative light string. The combination of tree and light strings has not been evaluated by UL.
5) Store this product carefully in a cool and dry location. Do not place near heat, moisture or any other potentially hazardous place.
6) PVC needles are flame retardant.

Step 1:
Note: The branches of the Trees are bent upward for shipping. Stand each Tree on its base and bend the branches (usually downward) to the desired shape. It is easiest to start with the lower branches.

Step 2:
Insert the plug into a wall outlet. After plugging in, the entire tree should be lit. If some bulbs do not light, search for any loose or broken bulbs that may have caused the problem and replace the broken bulbs with a replacement bulb.
